Moms and kids are flourishing at Family Life Services, and we give glory to God for His gracious provision of generous donors, servant-hearted volunteers, dedicated staff, and courageous families. Humbled by the 80 years He’s sheltered the vulnerable on this corner, we offer these highlights from the last fiscal year, ending June 30, 2022.

We praise God for strong footing and trust Him for the next step as we explore our infrastructure needs. Families headed by single moms remain one of the fastest growing segments of the homeless population, and we are prayerfully considering how to expand our capacity to serve more families as God guides and provides.
